25X1A

25X1A 1. (Internal Use Only - SWH) In [REDACTED]'s absence, spoke with [REDACTED] NSA, who called to alert us that the Ervin bill, having to do with polygraph and constitutional rights of civilian employees of the executive branch (S. 1688, H.R. 1281), was going into markup at 2:00 p.m. today. 25X1A I explained to [REDACTED] that [REDACTED] was on the Hill this afternoon, but that we would try to get in touch with him in case he might be able to stop by and find out what had transpired in markup.

25X1A 2. (Internal Use Only - KKH) Received a call from Claudia Henagan, in the district office of Representative John BreauX, (D., La.), requesting personnel information, specifically the location of the nearest regional recruiter. I took her number to call her back after checking on it. I called Personnel and they said to get the constituent's name, address and phone number so the [REDACTED] recruiter could get in touch directly. 25X1A I called Ms. Henagan back and relayed the information. The constituent is [REDACTED]

3. (Unclassified - SWH) Called Marcia MacNaughton, Senate Government Operations Committee staff, to determine the status of S. 3418, a bill to establish a Federal Privacy Board. Miss MacNaughton said markup on a new version of the bill (Confidential Committee Print No. 5) would begin tomorrow.

4. (Internal Use Only - SWH) Called Helen Mattas, Staff Assistant, House Foreign Affairs Committee, to request a copy of the amendment by Representative Michael Harrington (D., Mass.) on CIA covert action which was offered and defeated during last Thursday's markup session of the House version of the Foreign Assistance Act. The copy was made available.
